

# DMCC COVID-19 PROTOCOL

*Outdoor activities with social distancing can provide a lower risk than many other activities.*

*To provide the safest experience possible, the DMCC recommends you follow all CDC Guidelines plus local & state ordinances.*

<b>1</b>	Per CDC guidance fully vaccinated people can resume activities without wearing a mask or physically distancing, except where required by federal, state, local laws, rules, and regulations, including local business and workplace guidance.
<b>2</b>	If you are unvaccinated CDC guidance states it's important that you wear a mask when in public and when it is not possible to stay 6 feet away from others.
<b>3</b>	CDC cannot provide the specific risk level for every activity in every community. It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.
<b>4</b>	If you have COVID symptoms, been exposed, or feel sick or someone at your home is sick, please stay home
<b>5</b>	Notify DMCC if you have been diagnosed with COVID-19 after being on a group ride that is posted or sponsored by the DMCC
